HOBBIT DOORS INSTRUCTIONS

You will need:

- Twine or ribbon
- Grapevine wreath
- Wood round discs - 6 inches
- Split wood balls or woods beads
- Moss, mini mushrooms, and flowers
- Fine tip black sharpies
- Acrylic paint
- Paint brushes
- Hot glue / hot glue sticks

1. Paint the wood disc to create the door and let it dry. Add wood detail or paneling with a fine tip sharpie or thin paint brush if desired.
2. Paint a wood bead or ball for the door knob and let dry.
3. While the paint is drying, thread the twine or ribbon around the grapevine wreath to create a loop and tie off.
4. Use hot glue to glue the grapevine wreath to the dry, painted door. Hold down the grapevine to the door until the glue hardens.
5. Glue down the dry, door knob. It can be placed in the middle of the door or to the side.
6. Add moss, flowers, and mini mushrooms into the grapevine wreath to decorate.
