

# Mason Jar Snowglobe Instructions

## You will need:

- Mason jar (or any jar with a lid)
- Fake snow
- Miniature fake trees or other greenery
- Miniature animal figurine(s)
- Optional: Hot glue gun
- Optional: Acrylic paint
- Optional decor: Glitter, ribbon, etc.

1. Open your jar. Place a small amount of fake snow at the bottom. You can hot glue the snow down if you'd like.
2. Place any greenery into the jar in your desired location. If you wish to hot glue the objects down, place a small dot of glue onto the fake snow before placing down the greenery.
3. Place any figurines and other decor into the jar.
4. Decorate the outside of your jar! You can paint the lid, wrap ribbon around it... Add your own creative touch!
