Telling Your Story: Writing Workshop

Saturday, February 3rd 1:00 - 3:00pm

Local author, Kevin Fitton, will provide instruction on writing. This workshop is for writers, wannabe writers, and . . . well . . . everyone else. It is an opportunity to learn about the basic components of a story and how those components work together. The goal for this workshop is that each attendee will walk away with an idea for a story and a better idea how to go about putting that story down on paper.

Essential Oils for Women's Health & Oils for Couples according to "Lucy Libido"

Wednesday, February 7th at 7:00pm

In this class, essential oils expert, Renee Pokoj, will be talking about supporting women's health and oils for couples. Often we become so busy taking care of our family, friends, job and everything else we do; we don't always take the time to care for ourselves or our relationships. Come learn about essential oils for women's health and the ones that can help spice up your love life.

Yoga Nidra

Saturday, February 17th at 1:00pm

Yoga Nidra relates to conscious deep sleep. It is sleep without images (dreams). Yoga Nidra will bring the yogi or yogini to an incredible calmness.

During this workshop we will do a gentle yoga asana practice to prepare the body and mind for this experience. Then we will take a guided journey through levels of relaxation, arriving at a state of sublime stillness and mental clarity.

Wear comfortable, loose clothing. You may choose to bring eye pillows or personal blankets or anything else that will make you comfortable.

Local Author Karen Dionne

Wednesday, February 21st at 7:00pm

Local author and international best seller, Karen Dionne, will be here to discuss her book the Marsh King's Daughter. Come meet this local celebrity and get your book signed. A limited number of copies of the book will be available for purchase; however, attendees who wish to obtain signed copies are encouraged to purchase books in advance from their local bookseller and bring them to the event.

Small Great Things Book Club

Tuesday, February 27th at 7:00pm

A woman and her husband admitted to a hospital to have a baby requests that their nurse be reassigned - they are white supremacists and don't want Ruth, who is black, to touch their baby. The hospital complies, but the baby later goes into cardiac distress when Ruth is on duty. She hesitates before rushing in to perform CPR. When her indecision ends in tragedy, Ruth finds herself on trial, represented by a white public defender who warns against bringing race into a courtroom. As the two come to develop a truer understanding of each other's lives, they begin to doubt the beliefs they each hold most dear.
