## Give the Gift of a Story

It's fall, ya'll, but it's never too early to start thinking about the holiday season. For that not-so-easy-to-buy-for person on your list, consider giving them the gift of a story by recording a virtual story time.

Starting October 1, you can give this timeless gift by booking an appointment to read your favorite story. We'll record your reading and turn it into a virtual story time.

Not only is your story a gift to the library, but we will also provide you with a direct link to your story time so you can easily share it with your loved ones on social media, email, or even by text message. This unique gift will allow you to share the holiday spirit with your loved ones while maintaining social distancing guidelines.

Email [jdries@htlibrary.org](mailto:jdries@htlibrary.org) to receive more information and to set up an appointment to have your story recorded via Zoom.
