### *Lights, camera, action!*

Library to premier short film  
Join us at 11 a.m. Sept. 24 for the exclusive film premiere of a Library from Scratch. The film explores how in 2009 a group of determined volunteers founded the Harrison Township Public Library. Based on oral history interviews, the film captures the founders on camera. Hear them tell the inspiring story of how they built and ran an all-volunteer library for six full years before gaining public funding. The Library from Scratch project was made possible with support from the Michigan Arts and Culture Council and the National Endowment for the Arts.
